Experience

Computer Science Faculty | StarLight Academy

MAY 2017 - PRESENT

- Computer Science faculty teaching courses like C/C++, Java and Python with advanced courses like Machine Learning.

Intern | StarLight Academy

MAY 2017 - JULY 2017 (12 weeks)

- Designed frontend of the Academy's website. Increase in admission figures will be shared 1 month post launch.

Intern | Institute of System Studies and Analysis, Defence Research and Development Organisation (D.R.D.O)

MAY 2016 - JULY 2016 (8 weeks)

- Made a Mission Simulator Editor to generate a mission simulation file that can be used to check the efficiency of the planned mission.

Awards and Accomplishments

- Presented a paper on Software Reliability Growth Model in Confluence 2017 - annual IEEE International Conference held in Amity University Uttar Pradesh, India
- **OpenMined** Contributor on [PySvft](#) repository
- Consolation Prize winner for two consecutive years 2016 and 2017 in App-a-Thon: App-development Competition for Smart Grid and Smart Cities in India Smart Grid Week, organized by ISGF (India Smart Grid Forum) in Netaji Subhas Institute of Technology (NSIT), Dwarka, Delhi, India.
- Mr. Dinesh Babu Memorial Scholarship for highest marks in Physics in 11th standard (2012-2013).
- Pitambar Scholarship for highest marks in Mathematics in 11th standard (2012-2013).
